

Devolved Programmatic Access

JOINT SUBMISSION TO THE GREEN CLIMATE FUND BOARD

A 2016

B B ¹,
B - ² - ³ ⁴ A ⁵

() B

B.12/22 submissions, no later than 10 April 2016, from Board and alternate members, observers, accredited entities, NDAs/FP, and delivery partners, in relation to the review and in accordance with decision B.11/11 paragraph (j), as well as paragraphs (c) and (d).

35 (35)

A

(A) :

While a programmatic approach could be promising to achieve scale, the programmatic funding proposals received to date confirm the importance of providing guidance for the programmatic approach. In some programmatic proposals, the subprojects involve multiple sectors, multiple countries and different types of interventions. The level of advancement of the subprojects varies. The cohesiveness among the subprojects is not sufficiently clear and the value of structuring the standalone subprojects into a programme is questionable. A

),

(. .) will help to guide the accredited entities, NDAs, the Secretariat, the TAP and other stakeholders in developing and assessing high-quality and impactful programmes which provide scale to the pipeline.
