United Kingdom**

Dear Professor Müller,

I want to thank you for your high level of engagement moving forward a discussion between delegates for financing losses and damages in last COP27 in Egypt.

Your support was very important to leading in those complex negotiations, which in the end, had excellent results.

The Chilean Government reaffirm its commitment with the climate change and will continue to make the necessary efforts to strengthen the process.

Sincerely yours,

**Maisa Rojas Corradi**  
Minister of Environment of Chile
