Pre-2030 Mitigation Ambition Work Programme

Views from the Fellows

Paula Sanmiguel
COLOMBIA

for sustained capacity building in support of international climate change negotiations
pour un renforcement durable des capacités en appui aux négociations internationales
sur les changements climatiques

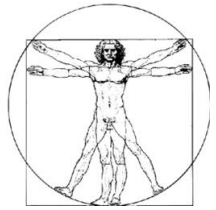

Agenda

ecbi

1. Background: Mandate
2. Views expressed by Fellows
 - A. Principles
 - B. Scope
 - C. Modalities and Institutional Arrangements
3. Discussion

Background

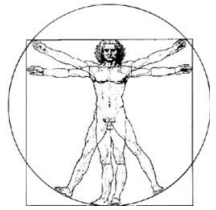

ecbi

Mandate I/CMA.3

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

- 27. Decides **to establish a work programme to urgently scale up mitigation ambition and implementation in this critical decade** and requests the Subsidiary Body for Implementation and the Subsidiary Body for Scientific and Technological Advice **to recommend a draft decision** on this matter for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session, **in a manner that complements the global stocktake;**

Views Expressed: Principles

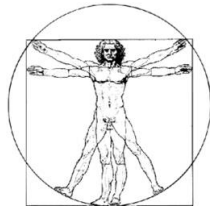

ecbi

Urgency towards 1.5°C pathways, taking into account,

- CBDR&RC in light of national circumstances
- IPCC WG III, SCF and related reports
- Complementarity and not duplicating the GST,
- Article 4.4 of the Paris Agreement
- the agreed bottom-up approach of NDCs

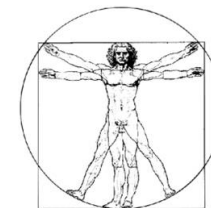

Views Expressed: Scope

ecbi

- Means of implementation, recognizing that enhanced ambition is enabled by provision of support, particularly for developing countries
- Address the pre 2020 Gap in a manner that it doesn't shift the mitigation burden to developing countries, e.g. gaps from the KP and BAP commitments, including finance commitments
- Consideration of the role of technology in enhancing ambition in various sectors, through sharing of experiences and best practice, and support; however not including sectoral benchmarks, targets, etc.
- LEDS particular in respect of the 1.5°C pathway, support for their development, experience and best practice in their development
- Updating the NDCs

Views Expressed: Modalities, Institutional Arrangements

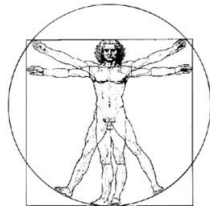

ecbi

- Modalities of **engagement** under the WMP:
 - workshops, capacity building, technical and ministerial roundtables
 - in-session/ intersessional activities
- **Inputs**, scientific inputs such as:
 - IPCC, UNEP Gap Report,
 - SCF and related reports, facilitating support for developing countries, etc.
 - Case studies on applicable good practices, and sharing of knowledge
- **Outputs**, reports by the Secretariat, Knowledge-sharing platforms

Q:

- How do you envisage **participation** by multistakeholder and/or Parties?
- What are your views on the **duration** of this Work Programme, including milestones?

ecbi

THANK YOU
