

Financing the transition to net-zero

Implementing the Paris Agreement, Agenda 2030 and
the Addis Ababa Action Agenda on development finance

Upholding the spirit of 2015

- 3 consecutive summits in September
- Interdependency for success
- Unlocking financing
- Urgency of IPCC 1.5 report

How do we do it?

- Differing dynamics Paris/AAAA
- National ownership
- National budget and planning processes
- Framework of SDG implementation
- Climate-proofing budget, facilitating national resource mobilisation – in line with AAAA

Capturing 2.1.c

- FSB TCFD
- NGFS
- IIGCC
- GISD
- SSFC
